  - Chair Doug, brought up the schedule to see if they could go dark for that month.
  - Chris would like to change the venue and not cancel the date.
  - Doug proposes to go dark for the month of December.
  - Jordan brought up the concern that going dark until February may be too huge of a gap.
  - Ernie proposed to have a meeting added in January and keep the existing meetings.
  - Jordan motioned to continue bi-monthly meeting and task staff to schedule calendar each federal fiscal year. Ernie, second.
  - This will not limit emergency meetings or impromptu meetings - Unanimous vote
- Maia – Self Determination updates, we meet monthly. Will be dark in December.
  - SSDAC on October 27, 2016 in Sacramento, CA. More parents are attending. Parents are still hearing about self-determination for the first time. They do a training component at each meeting. She talked about the pilot project and the redacted PCP provided by SCDD Deputy Director to discuss in the meeting, so that families could discuss and see a plan and the components. Trainings need to take place throughout the community and at various times of the day.
